

Dear Associates,

Progressive had taken initiative to start a drive named **“Progressive—Educative Series”** to share knowledge with our valuable clients and associates. Under this series we have shared many useful and informative articles which may positively help you in your day to day activity in many ways.

In continuation to the series today we are going to share with you the working of our client back office application (**TRADEWEB**) and the availability of reports which will keep you update about your trading and Demat account with Progressive at any given point of time, It doesn't matter where you are just simply logon the **TRADEWEB** with your login ID and password and get reports and data like – Ledger balance, Bill/Contract note information, Outstanding Position, DP holding etc on a single click.

The beauty in using the application is that it will save your precious time, your dependency on your branch and franchisee is now over, you need not to wait for their mails and replies for ledger confirmation, Bills/ contracts , Outstanding Positions, Dp holdings etc.
