

Market Snapshot:

Index moved higher after a firm opening but once again failed to hold higher levels and was dragged lower. In the 2nd half of the session, Index oscillated in a narrow range of 10825-10860 and ended the session with negligible gains of 3.25 points at 10847.90. OMC's were the star performer of the day. Metal sector managed to hold its opening moves and ended the session with gains of over 2%. Some buying was seen in Auto stocks. Mixed activity was observed in IT sector. Banking was the major underperformer.
