

## PROGRESSIVE'S EVENING STROLL

DATE: 12 June, 2019

### Market Snapshot:

Following the weak Asian peers, Indian Market kicked off the day in a same manner and extended its losses for most of the day; however last hour buying in some heavyweights like TCS, HUL helped Index to trim some of its loss. Nifty50 ended the session with a loss of (59.40) points at 11906.20. Metal sector continued its outperformance. Auto and Private banking stocks underperformed.
